## Eucharistic Revival

at Holy Trinity Parish

An ongoing series to restore devotion to the Eucharist

### A Catholic Experience Unlike Any Other

The 10th National Eucharistic Congress will take place in Indianapolis, Indiana **July 17-21**. Our Catholic family will gather to experience profound, personal renewal through the power of Christ's love. Like a new Pentecost, this transformation will flow out from Indianapolis to bring revival in our communities as the Church returns to her first love—the source and summit of our faith.

Every day at the Congress is designed to facilitate this life-changing encounter with Jesus, regardless of where you are on your faith journey. Attendees will select their preferred series of impact sessions for the morning and breakout sessions for the afternoon. Then, gathered together as one, the whole assembly will experience the powerful revival sessions in Lucas Oil Stadium each evening. Whether you can come for one day or all five, join us for this generational moment. For more information please visit: <https://www.eucharisticcongress.org/>.

## Questions for Faith Sharing May 5 Sixth Sunday of Easter

In next Sunday's Gospel, John 15: 9-17, Jesus tells us to love one another, but sometimes this commandment is hard. Jesus made us his friends on his own initiative. He chooses, appoints, and calls us to be his friends by opening himself up and sharing what he knows with us. Having received this gift of friendship from Jesus, it's now up to us to give this gift of love and friendship by giving of ourselves without limiting "friends" to other followers of Jesus.

### Reflection for families:

- What makes it hard for you to make friends with strangers or to love strangers?

## Stewardship...

*“Children, let us love not in word or speech but in deed and truth.” -1 John 3:18*

## April - Child Abuse Prevention

April is National Child Abuse Prevention Month. It is most appropriate that Child Abuse Prevention Month is held during the Easter season. There is no better time than Easter to celebrate the protection of our most valuable gift from God - our children.

*Week 5 - Did you know....*What is happening in the diocese to protect children?

- Training is provided for all adults and youth to identify warning signs and develop strategies for maintaining a safe environment for all.
- A designated Victim Assistance Coordinator is available to receive reports and accompany victims through their journey.
- A volunteer independent Review Board assists the bishop in the review of cases and makes recommendations for moving forward.
- A Safe Environment Coordinator assists parish and school personnel with training and background screenings for anyone who may have access to children.
- An audit is conducted by an independent firm to evaluate implementation of the *Charter for the Protection of Children and Young People*. Findings are incorporated with those of other dioceses and made available in an Annual Report.

# Stewardship

## Renewal 2024

### *Christian Stewardship*

is using God's things in God's way for God's glory. We can all participate in the stewardship way of life through proper use of our time, talents, and treasure.

### *Honoring God with our Time, Talents, and Treasure*

Using our time, talents, and treasures in a way that honors and glorifies God is one of the main responsibilities of a Christian Steward. They understand that time is the most valuable commodity, and it must be used wisely. They also know that their talents should be used to help others and lead them to Christ. Christian Stewards properly manage the resources that God has provided for them and use those blessings to glorify God.

### *A Living Sacrifice Worthy of Praise*

Christian Stewards make a generous, sacrificial, response to God out of praise for all that God has given. He has given us everything, including our very lives. This is why we no longer live for ourselves, but we live for Christ and invite everyone to join us in praise.

# Campus Grounds Update

This past week conduit was installed under the driveways and in three sections of the trench. The remaining installation of pedestrian fencing and pedestrian gates at the eastside of the Education Center has been scheduled for Saturdays only. Vehicle gates and pedestrian gates are expected to be installed in May. The driveway areas that were cut for trenching will be re-paved in the coming weeks. Conduit for low voltage, high voltage, and water is being installed at each vehicle gate, location of future monument sign, and at the center island at our main entrance. We have designed a plan for at least one camera at each gate. We anticipate these projects will continue through May and possibly into June. Please pardon the dust as we work to improve our campus. If you have any questions, please email Jeremy Youngers, our Parish Life Director at [Jeremy@holyltrinityparish.org](mailto:Jeremy@holyltrinityparish.org).

## Thank you!

We also want to give a big thank you to our amazing stewards who have been working hard the past few weeks to lay the new path to our Rosary Garden Walk and to everyone who has supported this project.
