"SERVICE PROJECTS" differ from parish ministry in that the candidates go out into the greater community to be the hands and feet of Christ to others outside the church. A list of suggested service projects is included in your confirmation folder or create your own project (see below).

Year 2 Candidates and their sponsor or parent must complete 2 Service Projects together, and the candidate must complete a service reflection after each project (see reverse side of this form). If you choose to create your own project, you must submit the idea for any individual project to the FF Office for approval **BEFORE** you start it.
