HOSPITALITY

Acting as Christ the Shepherd, a parish committed to stewardship is a true community of faith that welcomes, honors, and involves every person in the life and work of the Church, acknowledging the blessing of our richly different backgrounds and experiences.

Alpha

We began our fall session last week but it's not too late to join. If you or anyone you know would like a place "where questions create community", Alpha is the answer! We meet Wednesday evenings at 7:00 PM. Please register for this 10-week session at:

Children's Liturgy of the Word

As they say, it takes a village and Holy Trinity certainly is a village with many resources. One of these stewardship opportunities caters to our youngest parish members - Children's Liturgy of the Word. This ministry brings the word of God to children grades K-5th in a way they can easily understand. Participation involves previewing the readings for Sunday and thinking of ways to guide our children to the meaning in them. A Weekly Leader Guide is provided and is a very helpful and easy to use resource. One or two ministers meet(s) with the children for about 20 minutes in the View Room during the 9:00 AM Mass. Children listen to the readings, talk a little about what they've heard, and say the Creed. It is a wonderful opportunity to share God's message of love. As we know, Jesus said, "Let the little children come to me..." If you might like to assist with CLOTW, please email Mary Beth Bergsten at mb@thebergstens.com

Mother Teresa Maternity Home Fall

Using a unique color-coded chart, you will learn the major people, places, and events of the Bible and discover how they all come together to reveal the remarkable story of our Faith.

This is a 24-week study which will be offered in a hybrid format (in-person or via Zoom), beginning **Thursday, October 14 at 6:30 PM**. We will take periodic breaks and anticipate finishing the study in May, 2022. Please see next week’s bulletin for further details.

Dear Parishioners,

In January 2019, we embarked on the *One Parish Family* Capital Campaign, an ambitious endeavor to address the needs of our Holy Trinity Parish community. The three-tiered campaign goals include paying off our debt (\$1.8 million), repairing our campus (\$1.2 million), and establishing a maintenance reserve fund (\$500,000).

Retiring the debt and establishing a maintenance reserve free-up financial gifts so that we can maximize funding for programs and ministries that enhance the faith and mission of our parish.

Repairs to the Social Center and Education Center roofs have been completed. Repairs to the church's Baptistry, Quiet room and View room are in process. Long term weather damage to the Bell Tower and Narthex will begin to be repaired in Spring 2022.

In March 2020, our world became dark. Between the Corona virus and wildfires these past 18 months have been difficult. We have experienced the loss of loved ones, employment, and other hardships. Yet, throughout it all, you have shown great faith and love as one parish family. Holy Trinity's outreach to those in need, as seen during the Caldor Fire, is indeed an outpouring of God's love to our neighbors.

As a parish family, we have donated over \$15,000 in food, money, and other donations to Caldor Fire evacuees. While these are loving acts we can count, I am confident there are many more that are immeasurable, made without recognition. May God bless each of you for your quiet sacrifices.

While reaching out to others, you have continued to honor your pledge commitments to the *One Parish Family* Capital Campaign. Because of your generosity, we have paid off approximately 85% of our debt, repaired the Social and Education Centers' roofs, and, as you can see by the scaffolding, we will soon have new windows on the south side of our church. Praise God!

I come to you in thanksgiving for your faithfulness, and to ask those who are able, to help me finish the race we began with the *One Parish Family* Capital Campaign. The current repairs to the south side of the church are \$200,000. We anticipate beginning repairs to the bell tower next spring at an estimated cost of \$850,000. With pledge payments of \$1.78 million paid to date, we are well on our way to paying off debt and repairing our church.

In the days ahead, we will be reaching out to you about the status of your gift or pledge and invite those who can, to step forward. We are truly blessed to serve as "*the light of the world. A city set on a mountain cannot be hidden.*" (Matthew 5:14)

Sincerely yours in Christ,

Fr. Larry Beck, Pastor

FORMATION

Acting as Christ the Teacher, a parish committed to stewardship emphasizes, through evangelization and catechesis, the development of households of faith, where our Catholic story as the Body of Christ is lived and shared with one another.

Questions for Faith Sharing September 26, 2021, Twenty-sixth Sunday in Ordinary Time

In next week's Gospel, Mark 9:38-43, 45, 47-48, we hear Jesus instruct his "little ones" to take anything in their lives that causes them to sin, no matter how precious, and get rid of it so that it can't lead them away from God. Jesus is teaching us to cut off our vices or change sinful habits in order to be with him in the next life.

Reflection for families:

- What causes you to stumble and turn away from God?

Pick of the Week:

Our Lady of Sorrows

(48-minute audio presentation)

On September 15 we honor Mary under the title of Our Lady of Sorrows. In this audio presentation from speaker and author, Kimberly Hahn, we hear how this mother of six and wife of Dr. Scott Hahn struggled with the dogma of Mary in the early years after her conversion to Catholicism. She began to encounter Mary's loving guidance in little ways on a daily basis. Kimberly reflects on the joys and sorrows that Mary prayerfully experienced during her time on earth, and shares how her example leads us closer to Christ.

SERVICE

Putting into action our commission as Christ the Shepherd, Priest, and Teacher, a parish committed to stewardship serves the many needs of its own parish family, as well as the needs of the larger community and the world.

Stewardship...

“So the last will be first and the first last.” (Matthew 20:16)

You’ve heard the saying “It’s not where you start, but how you finish.” This certainly applies to this Bible passage. We have a responsibility not only for our own lives, but for the lives of others as well. We are called to generously share our gifts with others, not hoard them for our own use. Our sincere gratitude and cheerful generosity will help us live “God-centered” lives and not “self-centered” lives.

Caldor Fire Support

Thank you for your incredible out-pouring of help for the victims of the Caldor Fire. We have distributed the last of the water and other items that were donated and made good use of almost all of the gift cards. All the support has been greatly appreciated by the fire victims and evacuees. Now that the fire has moved away from the Grizzly Flats area and the residents can begin to return, we are partnering with Grizzly Flats Community Church to help them as they support the people in the community. There is no potable water available in the area and there won’t be for some weeks. Their pastor has asked if we can help them with bottled water and gift cards. You may drop off water at the youth room and gift cards at the parish office. Thank you for all you have done and continue to do.

September 2021 Thank You and a Plea for Help

A flyer was sent out in April regarding Kevin Kimario's illnesses and need for prayers and money to help with his treatments. As a result of our petition, it is with sincere gratitude that we give thanks for your prayers and financial support, and the continuing support from Holy Trinity Parish which have helped bring Kevin through the intense first stage of treatment.

Kevin has been in need of medical intervention since Dec. 2020. He was diagnosed with stage 4 colon cancer, including a number of secondary illnesses as well. With the success of the first stage of treatment, the secondary illnesses have been addressed. We are currently focusing on the treatment of this now stage 2 colorectal cancer. The oncologist said people rarely recover from stage 4. Kevin is improving but very weak at this point. The doctors feel that it is necessary that he have the colorectal surgery as soon as possible. In order to prepare for his surgery, scheduled for Monday, September 13, the doctors have been focused on building up Kevin's physical and immune strength.

Needless to say our financial resources have been depleted and we will need help with this upcoming surgery and all that it entails. There is no health insurance, but we have been able to enroll him in a new cancer treatment program, with many benefits. After Kevin heals from this surgery, he will need one last treatment – chemotherapy. The surgery and hospital stay, medications, special food and supplements, will be close to \$6000.

Kevin receives pain medication every two days as his pain is excruciating.
Cost: \$300 a month.

Our dear Kevin is 24 yrs. old, married with a young wife and 9 mo. old baby girl. Kevin was an orphan. His father died before he was born and his mother died shortly after. Kevin told me, "I'm doing all I can to live because my daughter needs a dad and I want to be there for her and give her all the love I have received from my adopted parents, Joe and Julianne." Kevin was 4 years old when we brought him into our family. We are trying to help him realize his dream.

We realize Holy Trinity parishioners have been most generous regarding our orphans. However, at this time we need special help for Kevin. Financial support can be sent to:

KUROWSKI KENYAN ORPHAN FUND

This Fund was established as a non-profit fund in May 2021 and approved by the California Secretary of State. The IRS has assigned EIN 86-3809544 to the Fund and on July 5, 2021 we applied to the IRS for registration as a tax-exempt entity. Due to the pandemic, there is a significant delay in IRS review and approval of applications. However, we anticipate our request will be granted based on the California approval. IRS regulations state that approval of tax exempt status is retroactive to the date the Fund was formed, which was May 20, 2021.
